

Making college education affordable for international students.

Sanjay Kachru

sanjay@upistudy.com

Website: www.upistudy.com

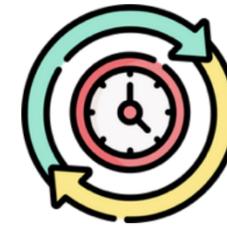

The Problem

Over 60% of international students don't attend a University of their choice due to many reasons. Like?

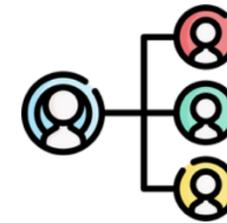

Low Income

Visa Refusal

No College Credits

Fraud

We created a bridging pathway between students & educational institutions to get college credits.

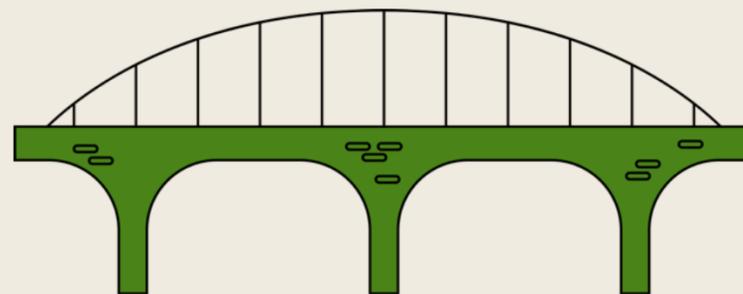

Solution for both **Universities & Students.**

Example: Consider our solution to be like a AP Courses or Community college in the US - same for an international student who will learn fast-tracked accredited courses online in their home country, and then directly enter with 60 credits in 3rd year of university abroad.

Students

Increased affordability for students from Southeast, Middle-east, Africa and other countries who wish to study abroad for better career opportunities.

Universities

High enrollment for universities with increased student affordability in the US, Canada, UK, Ireland, and Australia who welcome more than four million international students.

Our Product & Unique Value Proposition

Community college for international students: enter the 3rd year of a university abroad.

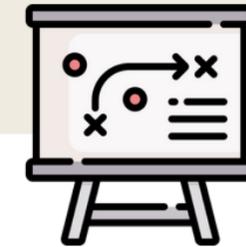

**Finances Solved - Pay
only for 3rd & 4th year**

+

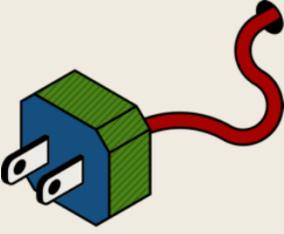

**Higher Visa Acceptances,
because of transferable
credits to degree**

=

**Better education at
lower cost**

Our Courses & Accreditations

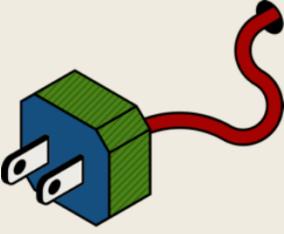

Our students earn transcripts from regional accredited universities & organizations, guaranteeing our students college credit transfer.

- 72 College Level Courses Offered
- Asynchronous
- All recommended for 3 college credit hours
- Accreditation secured by: NCCRS, ATHE, New Brunswick Ministry in Canada, & ACE

The screenshot shows a 'Products' page with a search bar and navigation tabs for 'All Courses', 'Bundles', 'Business', 'Career Skills', 'Computer Science', 'English', 'Health', 'Math', and 'Science'. The 'Business' tab is selected. Below the tabs are six course cards, each with an icon, a title, a 'Course' tag, and a brief description. The courses are: BUS 230: Project Management, BUS 310: Entrepreneurship, CRIM 150: Introduction to Criminology, BUS 205: Foundations of Leadership, MAR 300: Marketing Research, and BUS 101: Principles of Management. At the bottom of the page, there is a pagination control showing '< 1 2 3 ... >'.

Why Our Courses? A Smarter Alternative to typical pathway programs

**Needs to be certified by these
bodies or do not take any
other course!**

Avg. of Nine

**Guaranteed Admissions in
State Schools |
Preference over waitlists**

Benefits of Credits

Take use of these as majority of international students do not, and this could be what differentiates you from your average competitor.

Better Admission Rate

Makes your Profile 10X Stronger

Saves you Tuition Fees

Validation from Education Department of USA

Helps you Graduate Faster

Endorsement of ACE helps with Visa Rate

Your Ticket out of a Waitlist

80%+ Acceptance Rate at 30% Acceptance Universities for International Students

Where Can you Take it? Needs to be taken before your decision comes

Takes ~ 10 Hr per course | Some valuable resources for earning college credits include

Advanced Placement Exams

AP

Happens only once a year | if you missed it look for alternatives

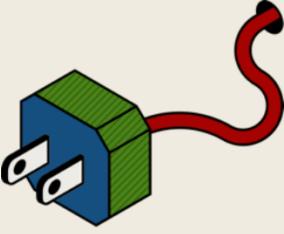

You need to go to an IB school. Not valid for State or CBSE/ICSE schools

Can be taken online all around the year. Open to all Students.

Credly OFFICIAL TRANSCRIPT - ISSUED ON 1 OCTOBER 2024 **ACE** American Council on Education

Entrepreneurship (Business 310)
 Issued by: UPI Study
 Issued to: Vanshika Sheoran
 Issued on: 1 October 2024

Description
 The course objective is to help students understand entrepreneurship and its role in the economy. They will identify key entrepreneurial traits, apply them to create ventures, and develop business plans with market analysis. Students will assess business structures and financing options, make strategic decisions, and embrace ethical considerations, including legal and financial aspects like taxation and planning.

Course Number: UPIIS-0019 (v.1)
Total Credits: 3
Grade: Pass
Credit Recommendation
 • 3 semester hours in Entrepreneurship in the upper-division undergraduate category

Advanced Technical Writing (English 120)
 Issued by: UPI Study
 Issued to: Vanshika Sheoran
 Issued on: 1 October 2024

Description
 The course objective is to enable students to understand the impact of technical communication, tailor messages for specific audiences, navigate ethical and legal considerations, improve research skills, design user-friendly, accessible technical documents, and create content that effectively communicates complex concepts while ensuring ease of navigation and readability.

CS 190: Introduction to Javascript

Working with Basic HTML

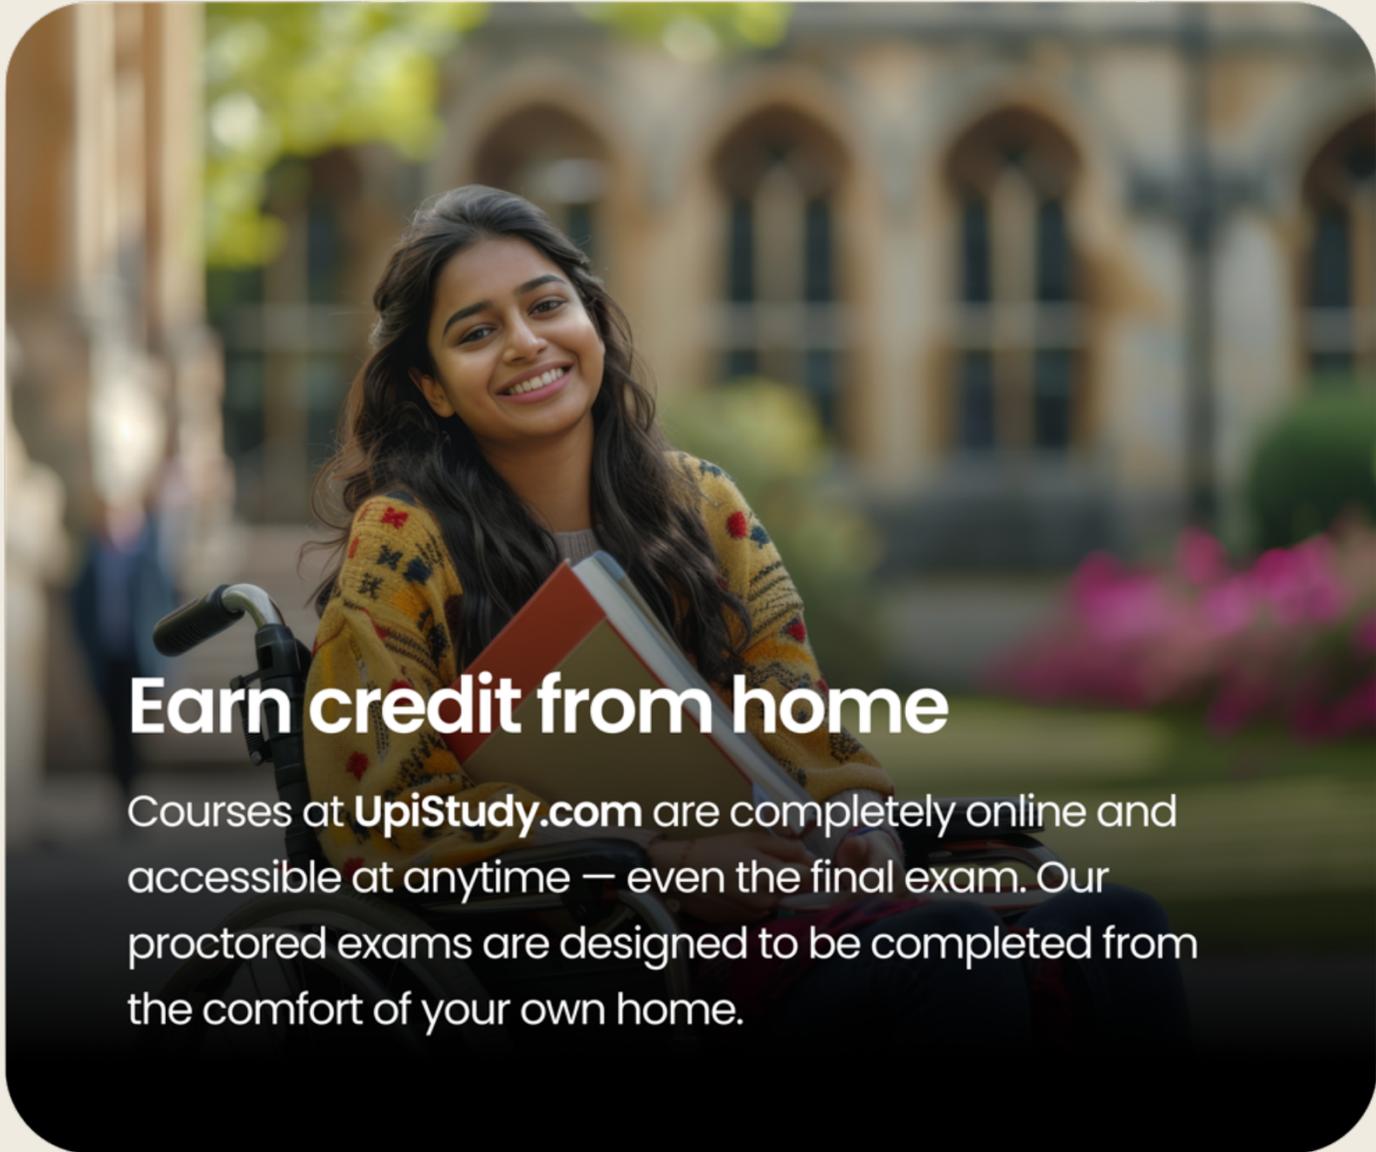

This video demonstrates how to develop a simple webpage using an editor and view the page in a browser. This demonstration uses the Atom code editor and creates a file named index.html. You should see the following nesting of tags in creating this document: `<html><head><meta><title><body>`. After watching this video, consider the following questions:

- How is the `<meta>` tag used?
- What tag is used to display text in the browser?

Expert Study Help

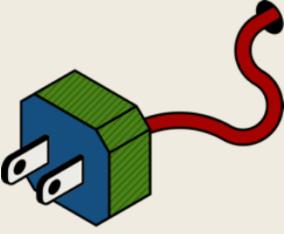

If you have trouble, you can reach out to our subject matter experts who will answer any of your academic or enrollment questions. Get help with lessons and quizzes, and more.

Earn credit from home

Courses at UpiStudy.com are completely online and accessible at anytime — even the final exam. Our proctored exams are designed to be completed from the comfort of your own home.

Proven Student Success in Credit Transfers

Andrew ~ 36 credits at Pace University

"Applying to colleges felt like an endless struggle. After multiple rejections from Pace University, I was disheartened and unsure of my next step. The high costs and competitive admissions process made things even harder. Just when I was about to give up, I found UPI Study. By earning 36 transferable credits, I strengthened my profile and finally secured admission. Now, I'm on track to graduate faster with a more manageable study plan. UPI Study turned my setbacks into an opportunity, making my dream a reality!"

Vanshaj Arora - University at Buffalo

"My academic journey took an unexpected yet incredible turn, thanks to UPI Study. Balancing work and education, I never imagined a flexible learning path could lead to top-tier universities. UPI Study provided the right courses and support, helping me earn 68 transferable credits. With that, I gained admission—and even a scholarship—at prestigious institutions like the University of Michigan and the University at Buffalo. What started as a slow path turned into an accelerated, cost-effective route to my degree. UPI Study didn't just help me transfer; it transformed my future."

Manasv Pareek - Pennsylvania State University

“As a student from the east, my journey to studying abroad wasn’t easy. After facing two visa rejections from Penn State, I almost lost hope. But UPI Study changed everything. By earning 30+ transferable credits through UPI, I strengthened my profile, secured my visa, and saved over \$60,000 in tuition. Now, I’m on track to graduate in just 2 to 2.5 years. UPI Study made my dream possible—faster, smarter, and more affordable!”

Additional Benefits to Partners

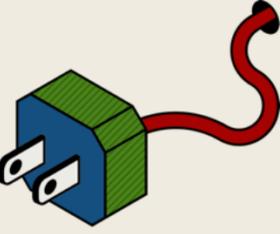

Dedicated personalized mobile app & website for seamless access after 300 students

Self-paced learning—access anytime, anywhere

Ensures academic rigor and real-world relevance

Build **prestigious university partnerships**, enhancing your academic reputation

Our Ask :

From our team to yours

**We are asking you to be a Enrollment Partner to
provide us Students and see mutual growth**

Next Steps

Introductory Call

We will arrange an initial call to introduce UPI Study, providing an overview of our organization, our accreditation, and the benefits of the courses we offer. This will also allow us to understand your public school's students goals & vision, current options for transfer processes and discuss mutual objectives.

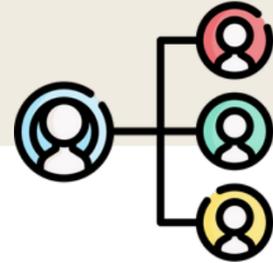

Curriculum Mapping

In collaboration with your academic team, UPI Study will engage in detailed curriculum mapping to align your programs with our 72 accredited courses. This will help identify suitable courses for credit transfer, ensuring students have a clear pathway to complete their degrees.

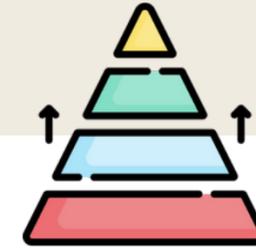

Next Steps

Finalizing the Agreement

We will work together to draft and finalize a formal agreement. This agreement will detail the terms for credit transfer and dual transcript recognition, ensuring a framework that benefits both parties and promotes seamless credit transfer for students.

Driving Action to Expand Educational Access

UPI Study will list your district as a preferred partner, promoting it as a pathway for students to transfer credits and complete their degrees.

Our Courses

Business

Accounting 210: Managerial Accounting	Business 100: Business Essentials	Business 101: Principles of Management	Business 205: Foundations of Leadership	Business 206: Leadership and Organizational Behavior

Appendix

Teacher - Student Portal

The screenshot displays a dark-themed user interface for a course titled "Introduction to Programming in Java". On the left, a sidebar shows the course progress: "CHAPTER 1 - Computer Programming Basics" (1/1) and "Ch 1.1 - What Is Programming? - Definition & Introduction for Beginning Programmers" (0/7). Below this, a list of lessons is shown, including "Introduction", "Making Pancakes: An Example", "Programming Pancakes: What Do We Need to Know?", "Programming Pancakes: How Do I Do It?", and "Lesson Summary".

The main content area is titled "Quiz 1.1" and shows "QUESTION 3 OF 5". The question is: "Which of the following describes programming?". The instruction is "Choose only ONE best answer." The options are:

- A Telling a computer what to do
- B Describing a problem in code so that the computer can give the answer to that problem
- C All of these answers are correct. (This option is highlighted in green and has a green checkmark next to it.)
- D Giving a computer instructions so it can solve a problem

Below the options, a feedback message states: "This answer is correct." A "NEXT" button is located at the bottom right of the quiz area.

Community & Courses

The screenshot shows a student dashboard interface. At the top, there's a blue header with a back arrow, 'Student Dashboard', 'Community: Ask Questions', a 'Live' indicator, and the user's name 'Manit Kaushal' with a profile icon and a notification bell. The left sidebar contains navigation options: Search, Home (selected), Following, Members (87363), Events, SPACES (with a dropdown arrow), Ask A Question, Review, General, IELTS, and a '+ CREATE SPACE' button. The main content area features a large illustration of people with a laptop, a passport, and a checkmark. Below it, the community name 'Community: Ask Questions' is displayed with a member count of '+87359'. A text box prompts users to 'Join an open feed to post questions and share latest news, accomplishments, or experiences.' Below this is a text input field with the placeholder 'What's on your mind?' and a 'CREATE EVENT +' button. The 'UPCOMING EVENTS' section includes the text 'Increase student engagement with live events. [Learn more](#)'. The 'LATEST POSTS' section shows a post by 'Rupesh Parajuli' (RP) from '4 DAYS AGO', with a 'FOLLOWING' status and a menu icon. On the right, a 'Trending posts' section lists five items: 'Hello! Please can you guide about courses after 12th in commerce' (0 comments), 'IELTS HOMETASK TODAY' (0 comments), 'Linkers for IELTS writing' (0 comments), 'Reading Section Book/Material' (0 comments), and 'Zoom link' (2 comments).
